About the Venues:

The Film Festival Venues were specifically selected to meet the goals of World Interfaith Harmony Week and encourage guests to visit event locations hosted by different faith traditions. We held the Film Festival events and planning at The Skirball Jewish Cultural Center, The Iman Islamic Cultural Center and The Village Church and Interfaith Center.

ABOUT THE FUTURE

The World Interfaith Harmony Film Festival envisions being an annual event held in the first week of February in conjunction with the U.N. World Interfaith Harmony Week. Our intention is to grow the film festival so that it serves as a global hub of interfaith engagement, dialogue, peaceful communication, joy, cooperation, and harmony. We believe spiritual cinema is one of the best ways we can gather people together from around the globe to meet the goals of World Interfaith Harmony. We all enjoy engaging stories that we can watch and learn from. We are hoping to inspire world-class filmmakers to continue reaching audiences through spiritual cinema and films that represents all faith traditions, religions, and spiritual paths.

NEWS: The 2014 World Interfaith Harmony Film Festival is expanding in 2014 to include film screenings in Frascati, Italy as part of World Interfaith Harmony Week. These film screenings and events will be linked by Internet to the Los Angeles events.
