WE ARE THE FUTURE  
Coexist Lock In 2013

This is a unique opportunity for teens from different faith backgrounds in the Metro-Atlanta area to come together and achieve a higher level of understanding. We Are the Future! will be three days of breaking down religious barriers and building bridges of understanding and respect. This event focuses on teaching, not preaching. Teens are the next generation of leaders. They are the ones who will make the next big changes in the world. Now is the time to instill a sense of peace and respect amongst these future leaders and that is what this event aims to do.

The weekend will include speakers representing different faiths, a question and answer panel featuring faith leaders, interfaith dialogue, and time to look at common social issues and how religious tolerance can affect them. With plenty of hands on activities and free time, fun is certain.

Come join us in building connections and changing the future of our world!

Check in is from 5-6 pm on the 8th and the lock in will end at 11 on the 10th. We invite everyone to stay for the normal Sunday lesson, which will continue the themes from the event.

**Paperwork must be postmarked to Unity North Atlanta Church by January 21st, 2013.**
