

The Muslim Communities outside the Autonomous Region in Muslim Mindanao (ARMM) are looking forward to the observance and celebration of World Interfaith Harmony Week (WIHW), in the recognition of the importance of promoting interfaith harmony in pursuit of peace in our country and the rest of the world.

This fully endorses and congratulates the Philippine Center for Islam and Democracy's initiative on spreading the message—the call to love God and to love our neighbour, through its recent interfaith dialogue, themed: “A Common Word Towards A Common Peace”, in celebration of the WIHW, on February 4, 2012, held simultaneously in Quezon City, Cebu City, Zamboanga City and Iligan City.
