Dear Johanne and Kathleen,

Thank you so much for this email. I will absorb the great blessing again from that weekend of sacred music which opened my heart. I would definitely want to attend another annual offering of chanting. I also would participate in a monthly or even weekly offering of chanting if it became available. I am so grateful that the Bethlehem Centre is a leader in the new consciousness of us, the human family of diversity and love rather than dualism, us vs. them. Spirituality without Borders, the mission of the Bethlehem Centre will save our world.

Beat wishes to the Bethlehem team,

Pat

" We are still filled with delight at the incredible Art of Chanting weekend at the end of January! Here are some resources that our Trio Sayso team have sent to us to pass along to you as promised. we hope you enjoy them. Also, we are thinking that we will do an annual Art of Chanting weekend at the end of January. Would you be interested in participating? If yes, please let us know and we will put you on the list. Once we are sure we can go ahead we will let you know so you can guarantee your spot with a deposit. Thank you for bringing your beautiful spirit to the Centre and raising up your voice with us.

Many blessings, Kathleen and the Bethlehem Centre Team"
