INSTITUTIONAL LETTER OF RECOMMENDATION FOR CASA TURCA MADRID

As Director of the Holocaust and Antisemitism Department of Centro Sefarad-Israel I strongly support the initiative of CONCIERTO TRES CULTURAS by Arco Forum/Casa Turca.

Casa Turca is a well renowned organization and a long standing partner of Centro Sefarad-Israel. We have co-organized several events not only for experts but also to larger audiences. The expertise and experience of Casa Turca in organizing events for the inter-religious and inter-cultural dialogue are a valuable contribution for our common efforts in the fight against intolerance and the promotion of mutual respect. I would like to highlight the fruitful cooperation in events related to the Sephardim of Turkey, but also in annual celebrations such as Ramadán or Janucá.

I consider Casa Turca with its personnel a reliable partner and thus would like to recommend their support for their proposed project.
