

# The Pieces Come Together

A very special book, an unexpected book... not just to promote interfaith harmony, but also to impart peace and understanding to the reader.

Have you ever wondered about life's "big" questions: "What's it all about?" "Is there anything out there?" "Where do I fit in the universe?" "Why do bad things happen?"

The writer has delved into the rich 'mines' of the world's most intriguing sacred writings to unearth the gems, the pieces that came together like a jigsaw puzzle.

In the process, something unexpected happened: a common refrain emerged and some surprising revelations... of a loving Creator.

Muslims, Christians, Jews... in fact, people of all faiths, those of no particular faith, and anyone with an interest in things cosmic and spiritual will feel encouraged.

In "The Pieces Come Together" there are over 100 quotations from (in alphabetical order) the Avesta, the Bhagavad Gita, the Bible, the Qur'an, the Tanakh, and the Tipitaka.
