

HRH Prince Ghazi bin Mohammed

Salaam and Greetings,

Thank you for your inspiring Mail.

Our foundation Chishtiyamaharaj at Ajmer Sharif, India is honored and glad for having received your message for participating in World Interfaith Harmony Week.

A brief background information is provided on the formation of the foundation.

Originally belonging to Hejaz our family migrated to Bilad Al Hind thru Iraq, Iran and Afghanistan some 800 years back. Following our Sheikh Khwaja Moinuddin Hassan Chishty, established south Asia's biggest Monastery (ZAWIA) in the city of Ajmer, India. Hundreds of thousand people gather at the ZAWIA and participate in its activities irrespective of religious, ethnic, or gender bias.

A constant interaction with the local non Muslim population, adopting local cultural symbols and language, our fore fathers engaged in interfaith dialogue and propagated the core values of peace, equality and love as espoused by Islam. The results for the Chishtiya Mission are seen today in the establishment of local largest Muslim community in South Asian countries of India, Pakistan, Bangladesh and Sri Lanka.

Keeping this tradition alive friends and relatives got together and established the Chishtiyamaharaj foundation. A more detailed information is available at our website: [www.cmfajmersharif.jimdo.com](http://www.cmfajmersharif.jimdo.com)

On behalf of our foundation, I hereby affirm Chishtiyamaharaj Foundation commitment to all the four (4) points and related sub-points as resolved by the UN General Assembly (UNGA

Resolution A/65/L5) at its Sixty fifth Session, proposed by HM King Abdullah bin Husain bin Abdullah and proposed by Your Royal Highness.

Furthermore Chishtiyamaharaj foundation would schedule its activities to align with the proposed theme of World Interfaith Harmony Week.

Additionally I would state that the Amman Declaration was a laudable effort and has facilitated in clearing many misconception within the Islamic thinking society.

Chishtiyamaharaj foundation would like to congratulate HM King Abdullah and Your Royal Highness for taking the lead in this noble cause as front runners and flag bearers of the message of Islam, espousing :  
IN A WORLD OF HATRED AND MISTRUST  
ONLY THE WORLD'S RELIGIONS CAN HELP

With best wishes and highest regards
