The General Assembly,

United Nations.

Dear President,

Reference: Resolution A/65/L5, Sixty-fifth Session

Please convey to the members of the United Nations my grateful thanks for their vision in accepting the above resolution for the institution of a “World Interfaith Harmony Week”.

Your acceptance affirms our hope, and disperses our fear, as it reaffirms that mutual understanding and interreligious dialogue constitute important dimensions of a culture of peace. You, in your goodness, encourage all States to support, on a voluntary basis, the spread of the message of interfaith harmony and goodwill in the world’s Churches, Mosques, Synagogues, Temples and other places of Worship, with the emphasis on Love of God and Neighbour. I am emboldened to tell you that the Jewish, Christian and Muslim participants in my research on Abrahamic communities have been analyzed as speaking a new language, the Language of Peace. When, my the grace of God this doctoral thesis is examined and passed, I would hope that this Language of Peace be sent out to all as a sign of the “new brave” – those who overcome negative messages with the hope and blessing of the One God who is forgiving, merciful and compassionate.

With joy and thanksgiving,

Hilarie Roseman
