

MA'DINU SSAQUAFATHIL ISLAMIYYA

Swalath Nagar, Malappuram, Kerala, India

November 19, 2010

**Your Majesty King Abdullah,
Your Royal Highness Prince Ghazi,**

I would like to congratulate both of you for your noble and bold initiative that made the World Interfaith Harmony Week through United Nations. I am writing this letter on behalf of the Muslim brothers in India who constitute more than 1.60 million.

On this sacred occasion of Eid ul Akbar, please allow me to tell that this is the real leadership that the world looks forward and it is made by the heirs of the Blessed House of the Hashim.

Harmony and fraternity is the essence of all faiths. They strengthen the existence of this Universe. There were times in history when all these lessons were neglected. But the wise involvements and timely engagements change the history.

This is the real time to spread the message of peace and tolerance among communities and even within the community itself. If we work together I would make many positive changes. I can tell this out of my experience of past years.

Every year, in Kerala, the southern most state of India we conduct mega events of Muslims under Ma'din Islamic Academy (www.mahdinonline.com). 50000+ people will gather monthly and more than half a million in Ramzan and other special occasions.

In all of our initiatives, Ma'din Academy stresses the message of harmony. With Allah's help and support of well wishers all these were great success in spreading the message of unity. Please go to the below links of the reports of some of the events.

It is my pleasure to assure Your Royal Highnesses of our support from India for this noble cause.

Insha Allah, on 3rd February 2011, we have decided to organize special conference as part of World Interfaith Harmony Week in which we expect around 200 thousand people from various back grounds would attend.

Wish Your Royal Highnesses all success.
