Appreciation

In the framework of the World Interfaith Harmony Week (first week of February), proposed at the UN General Assembly by H.M. King Abdullah II of Jordan, and on October 20, 2010 unanimously adopted by the UN and worldwide observed ever since, Chapel for Europe (www.chapelforeurope.eu) and I.T.OUCH' (www.itouchalameda.com) set up the common initiative "Praying - En prière - In gebed". The event was developed over time (December 2017 - March 2018) and encompassed a range of aspects : photo contest, jury, prize award ceremony, prayer for peace, musical moments, vernissage, photo exhibition. It brought together people from different faith traditions, in Brussels, Belgium and abroad.
