530-623-2226

\* In joint celebration with **U.N.**

**World Interfaith Harmony Week,**

which "provides a platform – one week in a year – when all interfaith groups and other groups of goodwill can show the world what a powerful movement they are."

"It is hoped that this initiative will provide a focal point from which all people of goodwill can recognize that the common values they hold far outweigh the differences they have, and thus provide a strong dosage of peace and harmony to their communities."
