

ANAND ASHRAM : Fully Supporting World Interfaith Harmony Week 2015

InnerPEACE towards globalHARMONY

Every year, Anand Ashram Foundation – founded by Interfaith Spiritualist Anand Krishna (www.anandkrishna.org) is celebrating and supporting two international events at the same time, i.e., World Interfaith Harmony Week and World Cancer Day.

The World Interfaith Harmony Week is considered very essential to celebrate and to fully support by the organization (www.anandashram.asia | www.ubud.anandashram.asia) since too many unended conflicts using religion as excuses to hurt others.

This year of 2015, the organization was conducting the talk about interfaith and interreligion life in Ubud – Bali and Sunter – Jakarta. An Audition of 50 people in Bali and 40 people in Jakarta were joining the programme.
