To whom it may concern,

I am writing to confirm that that the University of Lincoln Students Union Islamic Society have organised and successfully ran a week of fundraising events in aid of St Barnabas Lincolnshire Hospice.

Jammil Ahmed, President of the Islamic Society has been liaising with the Community Outreach and Fundraising Departments to get these events organised. Throughout the week of fundraising activities the following events were held:

- Collection at the University of Lincoln
- A Cake and Sweet stall
- A Falconry Display
- A High Street Collection – only one street collection is permitted a year by our local Council. The St Barnabas Lincolnshire Hospice street collection is always held in December and we had already gained this license. The University of Lincoln Islamic Society have done an excellent job in gaining a second street collection license to raise funds for the Hospice.
- The St Barnabas Cup
- Bag Pack at a local Morrison's store.

We are delighted that St Barnabas Lincolnshire Hospice was chosen as we need to raise £4 million this year alone to continue providing our services for the free across Lincolnshire.

In the past 12 months:

We cared for over **9,000** people across the county living with a life-limiting illness

- Our specially trained nurses cared for **1,698** patients in their own homes
- More than **2,300** patients visited one of our Day Therapy & Lymphoedema Services for a host of treatments and symptom control
- **221** people were admitted to our inpatient units for specialist 24 hour care
- **3,827** people were supported by our Welfare Support Service accessing over **£7 million** in funding
- **1,075** people received bereavement support to help them through a difficult time

We heavily rely on the support, kindness and generosity of our local community and for this we are sincerely grateful. Please don't hesitate to get in touch if you require further information.

Kind regards
