The Angel of Culture as a project of interfaith bridge building

The Interfaith work of our Institute (INTR°A) has been in good contact – already since several years – with the artists of the intercultural project ANGEL OF CULTURE – ENGEL DER KULTUREN and watching their effective engagement in the Interfaith Dialogue. Therefore in 2012 the founder of the ENGEL, Carmen Dietrich and Gregor Merten received the INTR°A PROJECT AWARD FOR COMPLEMENTATION OF RELIGIONS.

You can follow on our website to the development of this intercultural and interfaith initiative.

It is particularly impressive for us to see, how the artists now act in their motivation of reconciliation. In the meantime the ANGEL OF CULTURE – ENGEL DER KULTUREN and its artistic message has become visible in Israel/ Jaffa, and also in the Westbank. We have documented this current progress as well.

Therefore, we would appreciate it very much, if the ENGEL may “appear” within the framework of the **World Interfaith Harmony Week (WIHW)**. We would be pleased if this outstanding project will be more known in future.
