

Assessment	<p><i>"Dear Soley Radio Listeners Asalamo Alaikum!</i></p> <p><i>"It is written in the holy Quran that love of you country is part of your faith, this means that your love for your country is sacred. Our country is like a mother. Like children grow in the bosom of their mothers, our country's citizens grow in the embrace of this country. We should know the rights of our country, our motherland. We have a very beautiful country. We live in this country and use its water and air and build our houses to protect the welfare of our families. So lets say that our welfare is connected to the welfare of this country, If our country is secure our families will live in peace and prosperity. If we have insecurity and chaos no person and no family will prosper. If we work hard for a solution we will achieve this peace, to live and let live.</i></p> <p><i>President Karzai has begun a reintegration campaign, a golden chance for our brothers to join the peace process and have a bright future. Those who join the peace process can take part in the reconstruction of the country. Let's look at our neighboring countries, and how prosperous they are. Our country stayed backwards because of wars and conflicts. How long will we stay in this misery? The only way to escape this misery is to unite and work together. President Karzai's reconciliation plan is an excellent opportunity for everyone. Let's not miss this golden opportunity and find the courage to join the peace reconciliation process. Lets work together to build our country.</i></p> <p><i>God Bless.</i></p>	Purpose / Mission
