Hi Dr Kantor and Reverend Gardner,

My name is A---, and I was very intrigued by your interfaith week, and I was wondering if either of you would be free for me to ask you questions about religion, why you practice etc. Growing up, I wasn't really part of any faith, and I don't understand it. So I wanted to learn more about some, and I want to start with Christianity. Is this ok? Also be forewarned, this is probably going to be a long conversation... So yeah, email me if you have a free time and are willing! Thank you and have a nice night!

Sincerely,

A---
