MAJOR ACTIVITY 1: ROADSIDE DRAINAGE CLEAN-UP

Date: Saturday; February 6, 2016

By: ACWAY-Ghana Interfaith Team in partnership with YES Alumni Ghana

Our interfaith youth team volunteered to do a clean-up exercise; by cleaning a gutter (drainage) along the Tamale-Bolga high street at Kanvilli. Our innovation is involving religious leaders (Imams, Pastors, etc) in using their pulpits to campaign for good sanitary practices among their followers as taught by the Holy Bible, Glorious Qur'an, etc. We are using social media to challenge other youth teams across the country to replicate this initiative in their communities.
