To Whom It May Concern

Heavenly Culture, World Peace, Restoration of Light (HWPL) is a non-governmental organization whose mandate is to put an end to war and restore world peace. I know HWPL since some months ago or since some HWPL volunteers came to my Faculty and met me.

One of the activities of HWPL is to bring people together to discuss about world peace. Volunteers HWPL from Korea stayed in several provinces in Indonesia for some months, such as Jakarta, Surabaya, Medan and Makassar to meet with religious leaders, hold seminars, dialogue between religions, discussing the holy books of each religion is aimed to know each other, understand and respect one another.

I as one of a religious figure in Jakarta that written some books about other religions in Indonesia, teaching Muslim students on other religions at my university was happy to some HWPL volunteers who stayed in Indonesia. For me, they are the heroes of another country to bring people around the world to bring peace and apply the International laws. I hope, many organizations, religious leaders, lawyers, schools and universities in Indonesia can cooperate with HWPL and make all of humans in the world harmony.
