Dear Dr. Karickam,

Sub: Inter Faith Harmony Week Celebration.

Greetings from YMCA National Headquarters, New Delhi It is with great pleasure that we have come to know that as usual Karickam International Public School, Kottarakara is much ahead in organizing UN linked activities in the school. Your school deserves appreciation and proper rewards for such initiatives.

We understand that you have celebrated IFHW this year in partnership with different reputed organizations and it was for sever continuous days. The programs like public processions proclaiming the need for harmonious existence for peace are very important. The involvements of students of various schools through quiz and other programs have created an impact in promoting human values among the growing generations. The honoring of personalities, who have contributed much to the society for life is another appreciable event of the occasion.

We could see the impact of YMCA association with Karickam International Public School, through organizing drawing, coloring and painting competitions. YMCA will have the pleasure in continuing associations with Karickam International Public School in value added projects in future too.

With all best wishes,
