

Sacred Connections – February 2019

About Sacred Connections

Sacred Connections is a Cape Town Interfaith Initiative project born in October 2018, with the purpose of building community between people of diverse faiths and cultures.

It is a dream that has its roots back in 1999 when a small group of dedicated volunteers became the organizing team for the Parliament of the World's Religions, which was hosted in Cape Town that year.

The team were so inspired by the event that they decided to establish Cape Town Interfaith Initiative. Nearly 20 years later, many of the original founders of the NGO are still playing a pivotal role in fostering unity and a respect for dignity in diversity. As we share our joy in spiritual communion through Sacred Connections, we touch each other's hearts and souls and we learn to understand each other. We become friends, beyond the boundaries of belief.

Sacred Connections - February 2019

A BAG OF TOOLS

*Isn't it strange that princes and
kings
And clowns that caper in
sawdust rings
And common folk like you and
me
Are builders for eternity.*

*Each is given a set of tools
A shapeless mass, and a book of
rules.
And each must make, 'ere life
has flown
A stumbling block or a stepping
stone.*
