To Whom It May Concern

Interfaith Scotland has used World Interfaith Harmony Week to highlight what happens when hatred is left unexamined and unchallenged. We at Remembering Srebrenica Scotland have been delighted to work alongside Interfaith Scotland and we value the great interfaith work they do to make Scotland a safer, more inclusive country. We wish them every success in the World Interfaith Harmony Week competition

Signed

Very Rev Dr E. Lorna Hood OBE

Chair

Remembering Srebrenica Scotland
