

Dear members of the WIHW Organizing Committee,

Acceptance and mutual trust are essential for healthy coexistence and peaceful coexistence among people of various cultures and religions. At URI Latin America and the Caribbean, we have joined for several years with effort and enthusiasm to celebrate the World Week of Interreligious Harmony, with inspiring activities in different countries in which we have an institutional presence.

We appreciate the honor of HM King Abdullah II and HRH Prince Ghazi bin Muhammad of Jordan for receiving with the WIHW Organizing Team of each year, our recognition, and our word of encouragement for leading such an important celebration.

Please continue to count on our support and our enthusiastic action.

Best regards,
