The PEACE FROM INDONESIA FOR THE WORLD – the theme chosen this year to celebrate World Interfaith Harmony Week was done mainly through PEACE CIRCLES - HALAQAH DAMAI EVENT, a series of 2021 World Interfaith Harmony Week (WIHW) events which have been held since January 30 - February 28, 2021. As we all know, WIHW is based on UNGA Resolution A / 65 / PV.34, which was first proposed in 2010. by HM. King Abdullah II and HRH. Prince Ghazi bin Muhammad of Jordan. This week aims to promote interfaith harmony for everyone in the world and strive to voluntarily spread the message of harmony and tolerance among followers of all religions, beliefs and beliefs in the world. WIHW's message is based on the principle of "Love Good and Love of Neighbor".

The participation of Halaqah Peace in the WIHW 2021 event invited everyone from different religions and beliefs to listen to and learn various ideas and hopes in building a peaceful and prosperous future amid the health crisis due to the Covid-19 Pandemic and the phenomenon of natural disasters in Indonesia. This hope was built through discussion and virtual get togethers through Zoom Webinars and Live Instagram.

This activity was initiated by RSCJ Indonesia together with the Faculty of Philosophy Parahayangan Catholic University, Doctoral Study Program of Religions Studies and Masters Study Program of Religious Studies Postgraduate State Islamic University -UIN Sunan Gunung Djati Bandung, Department of Religious Studies, Faculty of Ushuluddin UIN Sunan Gunung Djati Bandung, Madrasah Malem Reboan(Wednesday eve programs) UIN SGD Bandung, Komuji Indonesia, Mobile Philosophers, and the community of youth of Riksa.id. Each event encouraged the participants and the community to know and develop WIHW principles, the principles of "Love of Good and Love of Neighbour"

As a form of our commitment to building interfaith harmony in Indonesia for the world, the following is a series of Halaqah Damai – Circle of Peace Programs activities in the WIHW 2021 event, namely:

HALAQAH DAMAI: WEBINAR SERIES	
<p>Halaqah Damai Ke-37 PRAY FOR INDONESIA: 'Pray and offering HOPE and PEACE in a pluralistic Indonesia'</p>	<p>The 37th Halaqah Peace Webinar was the first activity in the WIHW 2021 event. In welcoming the historic moment for interfaith peace, Indonesia at the time was experiencing sorrow due to the plane crash, large floods, landslides, and a number of active volcanoes that occurred in several regions in Indonesia. We see that this pain and sorrow over human suffering is an entry point for awareness of caring and cooperation.</p>

The participation of the 37th Circle of Peace invited everyone to voice their hopes and prayer from their respective religions for the safety and well-being of everyone in this world. This is because the voice of every individual across faith traditions is very important in facing these difficult times, while trying to have a common dream of caring for the peace and welfare of the Indonesian people. This activity was held on Saturday, January 30, 2020, 19.30 - 21.00 WIB, and was attended by 79 participants. For the purpose of promoting knowledge to the wider community, this activity was published in a poster (Instagram and the following youtube links:

How to Create a Theology for Peace for Interfaith Dialogue?

The activity was attended by about 30 people in a virtual discussion by proposing 3 ways in creating a theology of peace for interfaith dialogue, namely: Building a culture of caring, building new attitudes and views of the world with perennial philosophy, and building self-peaceful awareness to live peace in the hearts of others. These three paths drew its wisdom from 3 important documents; Pope Francis' message for Peace for the celebration of the 54th World Day of Peace, The wisdom of the Perennial Philosophy and the *Sat Sampati* (6 ways) to attain peace within oneself. The documents - Common Word Between Us and You (Published October 2007), The Document on Human Fraternity for World Peace and Living Together (4 February 2019), and Encyclical

Fratelli Tutti (Published 3 October 2020) were also referred to. This activity was held on Tuesday, 24 February 2021, 19.30-21.30 WIB, as well as a closing activity for the Halaqah of Peace in the WIHW 2021 Event.
