

Interfaith Talent Show

A talent show is an event in which participants perform the arts of **singing, dancing, lip-syncing, acting, martial arts, playing an instrument, poetry, comedy or other activities to showcase skills**. In this talent show, different communities participate and perform according to their interest.

Aims and Objectives:

- To promote all the talents within their class in a **creative and coherent way**.
- To **create a class spirit, to familiarize members** with project management and group work while boosting their autonomy.
- To **help members advance in their career paths**.
- Talent development professionals ensure members have the **tools and learning opportunities** they need.
- To help members feel **engaged, skilled, and motivated**.
