

Universal Healing: Awakening the Heart of Humanity: Day 4 - February 4

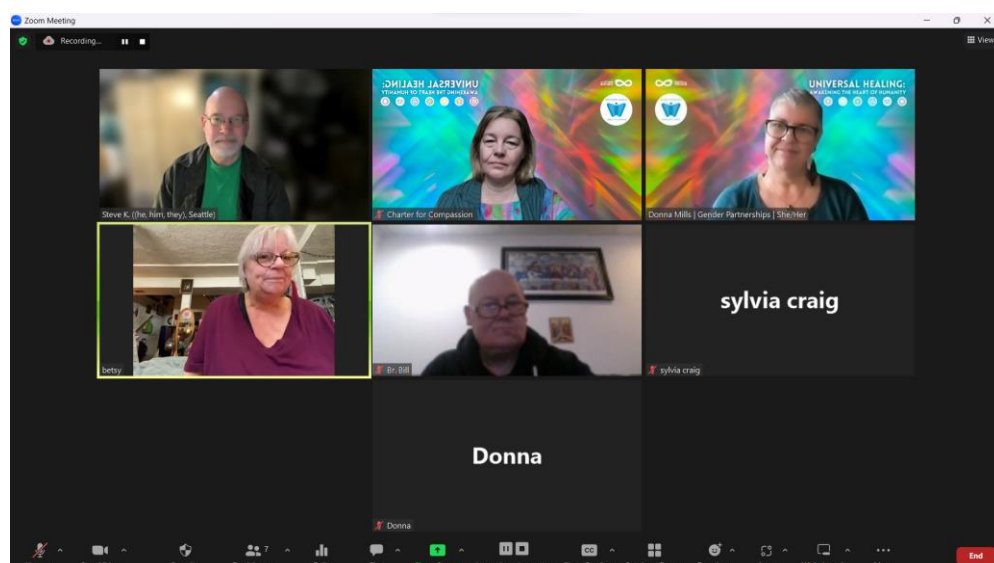

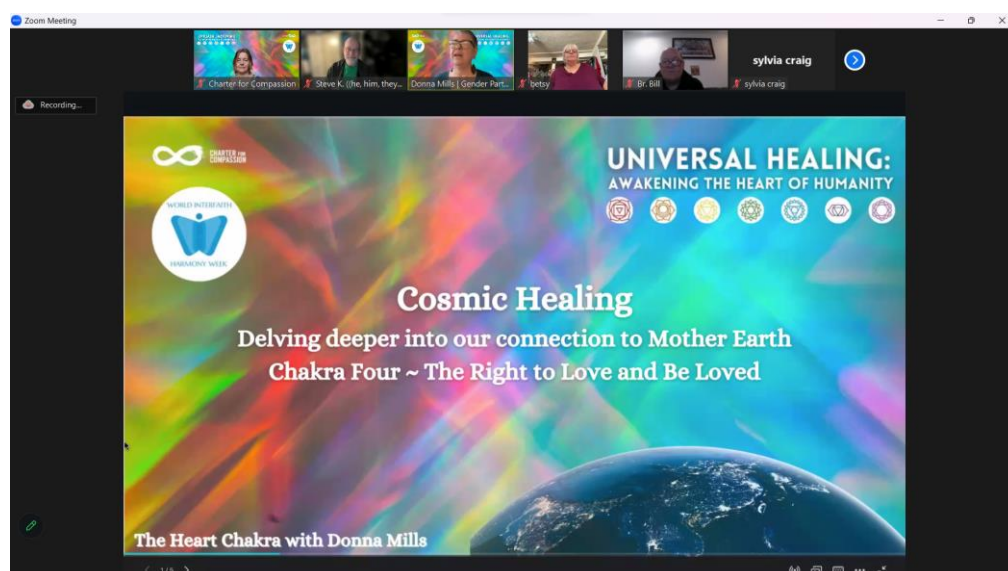

This year to celebrate World Interfaith Harmony Week (2023) Charter for Compassion and the RISE Team - Religion, Interfaith and Spirituality for Everyone- have created a special experience for you: a daily offering of healing from different traditions of the world.

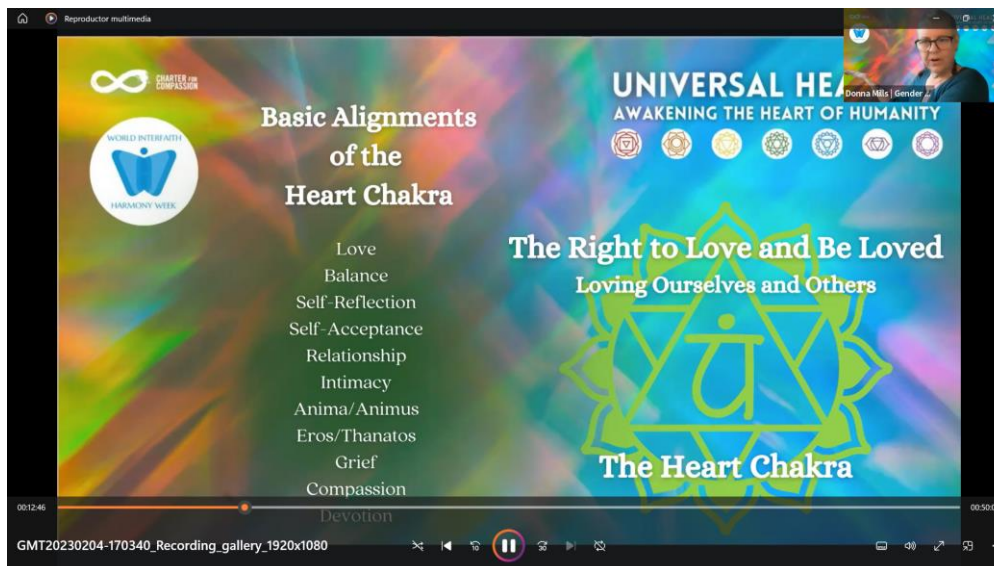

Day 4 – Heart Chakra with Donna Mills representing Cosmic Healing

Delving deeper in The Right to Love and Be Loved

What do we really know about LOVE taught to us in an era of domination? Please join us on the fourth day of The Charter for Compassion Interfaith week, "Walk Through the Chakras." The Charter has adopted "Healing Ourselves, Healing the World, Delving Deeper" as our 2023 focus. In this session, we will look at the wholeness and holiness of the Heart Chakra, including aspects of the mind, the body, and the spirit. We will delve deeper into new narratives of LOVE co-created in partnership as salve to domination. At its core, LOVE is the living oneness of vital energy, and the most effective way to heal a world shrouded in grief.
