WORLD INTERFAITH HARMONY WEEK REPORT

Fraternal Meeting of Muslim and Christian Youth

Madrid | 05.02.2023

On Sunday, February 5, 2023, the [Arco Forum](#) headquarters hosted the 3rd Fraternal Meeting of Muslim and Christian Youth, a meeting open to young Muslim and Christian university students in which members of the catechetical groups of the [Parish of Santa María La Blanca](#) young people of Muslim tradition participated, with the aim of promoting a peaceful coexistence and facilitating knowledge of both religions. We also had the privilege of welcoming Father Ángel Camino Lamelas, Vicar of [Vicariate VIII](#) of the [Archdiocese of Madrid](#).

Coinciding with the **World Interfaith Harmony Week**, and in commemoration of the **International Day of Human Fraternity**, held on Saturday, February 4, the participants studied the [Document on Human Fraternity for World Peace and Living Together](#) and offered testimonies of what their faith represents for them and how they live it in their daily lives.

At the end of the event, the sharing and coexistence experience continued in the form of a gastronomic dialogue with delicious appetisers offered by the organisers.
