20 February, 2023.

**Your Majesty King Abdullah,
Your Royal Highness Prince Ghazi,**

Oxford Interfaith Forum offers its wholehearted support to and welcomes the Annual World Interfaith Harmony Week.

This unique initiative offers us the wider venue for promoting our core values - peace and religious literacy between all peoples.

We are deeply honoured to have added our voice to the Worldwide Orchestra of the Human Family - World Interfaith Harmony Community as envisioned by H. M. King Abdullah II.

With our congratulations on this noble endeavour,

7. Gomelauri
