World Interfaith Harmony Week Round the Heart(h) Fire offered by the Charter for Compassion's RISE Sector Team. Based on David Gershon's project Peace on Earth 2030, we offered interfaith tools for each of the 7 themes on the path to Peace, one for each day during the first 7 days of February 2024.

A very special effort was put into this event, especially by Steve Kramer, who led each one of these sessions, inspiring us with passion and care. A special thank you also to Jamal Rahman, Anum Mulla, Merida McCarthy, Diane Ketterman and Jan Chase as special speakers for this series.

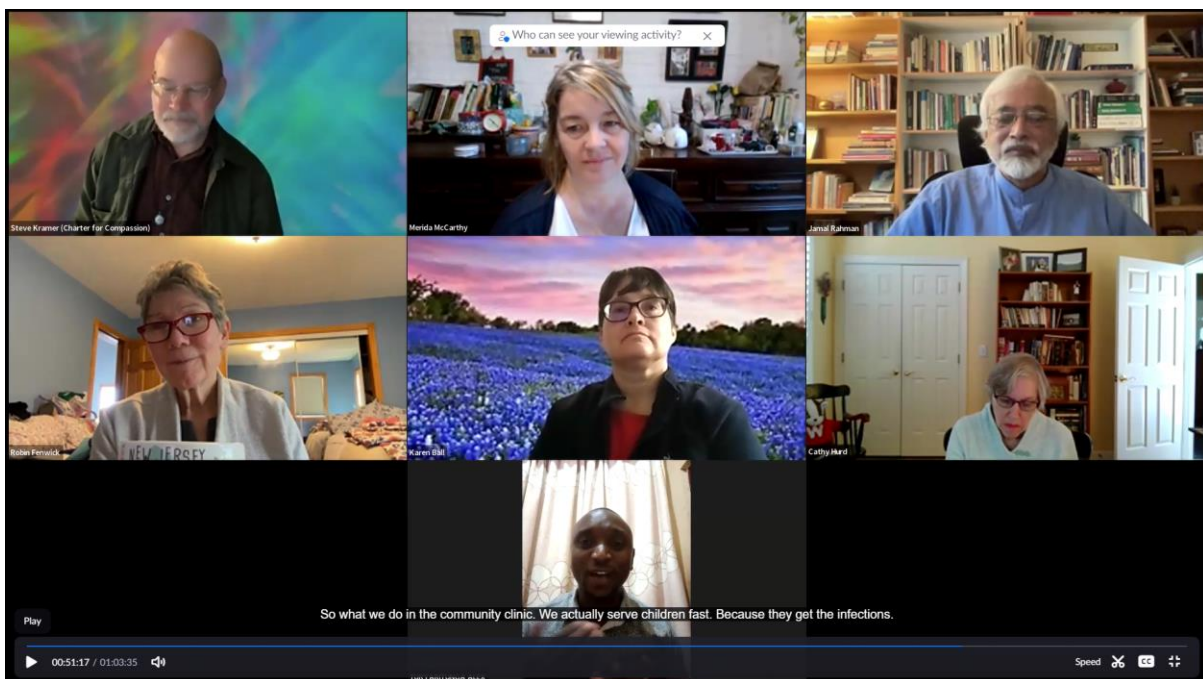

Round the Heart(h) Fire - Day 1 – Empowerment

We begin our series "Round the Heart(h) Fire" with the theme of EMPOWERMENT! Join us together with Imam Jamal Rahman to discover the wonderful tool he shares about embracing empowerment within the heart then promoting it throughout the world.
