

## YOUTH AGAINST HUNGER

**VOLUNTEER**

**BRIDGE DIVIDES**

**END HUNGER**

Please join us in our monthly community service project, Youth Against Hunger on Sunday, February 23 from 3 to 5 p.m.

Designed upon a research-informed foundation, Youth Against Hunger bridges the intergroup divide by bringing a wide variety of Montgomery County residents together on a monthly basis to prepare food for the homeless and to encourage social activism in our youth.
